

Power of Attorney

The undersigned _____

hereby confers a mandate and Power of Attorney with right of substitution on

lic. iur. Susanna Marti

advocate admitted to practise and member of the Basel Chamber of Advocates and the Swiss Union of Advocates

against _____

in the matter of _____

to appear as attorney or representative in his/her name before all local and foreign courts as well as other authorities or in dealings with private persons and to engage in all legal transactions which can achieve the execution of the mandate. The undersigned jointly and severally undertakes to compensate the authorised representative for costs and services rendered. At the same time, the grantors of the Power of Attorney assign to the authorised representative, should the need arise, any existing claims for reimbursement of costs and damages, as well as other claims against the opposing party up to the value of professional fees rendered including expenses and MWSt. (VAT).

This Power of Attorney shall be valid even in case of death or incapacity of the client.

The authorised representative is entitled to destroy clients' records which have not been collected and his own reference files ten years after the final court decision, and in the event of an out of court settlement, ten years after delivery of the final statement of account.

The grantors of the Power of Attorney release the authorised representative from the obligation of client/attorney confidentiality for disputes on remuneration claims as regards the competent review bodies.

Jurisdiction agreement: As jurisdiction for all disputes arising from the above Power of Attorney and mandate and retainer relationship, the grantors of the Power of Attorney and the authorised representative, regardless of residence, elect Basel.
